Buy a Bench, Leave a Legacy

You are invited to support the **Trail de Paris** with the purchase of a park bench. The newest extensions of the Trail are in need of several resting spots in the form of plastic coated metal park benches. Each bench will have a plaque inscribed with the message of your choice. Name yourself or pay tribute to your family, friends, mentors, or other loved ones you wish to give a permanent place in history.

For your donation of **\$750**, your bench will be a lasting tribute to your love and support of our community and our beautiful **Trail de Paris**.

For more information, please contact Kathy Winkler at (903) 669-3481. Or email Friends of the Trail at traildeparis@yahoo.com.
